

Individual time series by group and activity (examples)

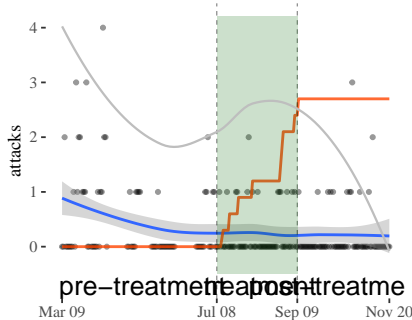

User 34 (control)

ABS = 0.742, activity divider = 10

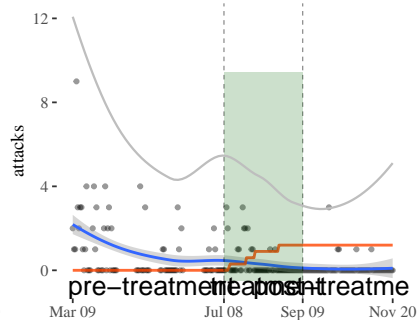

User 231 (empathy)

ABS = 0.241, activity divider = 4

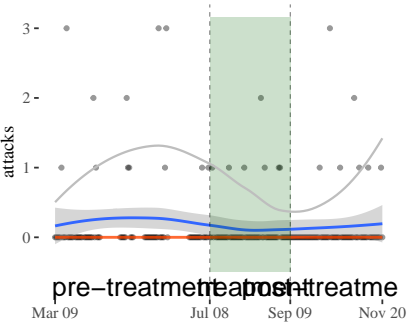

User 39 (normative)

ABS = 1.311, activity divider = 8

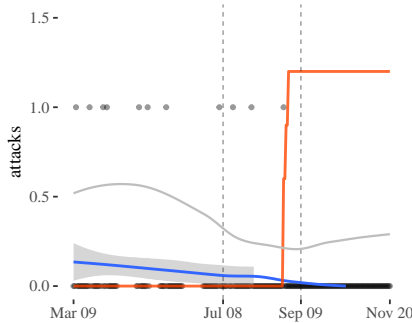

User 22 (control)

ABS = -0.428, activity divider = 4

User 112 (empathy)

ABS = -0.829, activity divider = 4

User 2 (normative)

ABS = -0.294, activity divider = 6
